**INFORMATIONAL LETTER**

To whom it may concern:

You are receiving this letter as a compliance assistance action from the Department of Natural Resources. We wish to inform your team of State regulations in an effort to relay the correct information to the public and avoid unnecessary violations. Additionally, we aim to establish a cooperative working relationship between fire departments and the Southwest Regional Office.

Your cooperation in achieving and maintaining environmental compliance is appreciated. Fact sheets are available on the Department's website to assist entities with understanding and following environmental requirements. The following fact sheets are enclosed for your review and guidance: Facts on Open Burning Under Missouri Regulations, Requirements for Fire and Institutional Training Exercises Involving Structures, Asbestos, Asbestos Requirements for Demolition and Renovation Projects, Managing Construction and Demolition Waste, and Management of Scrap Tires.

If you have any questions or would like to schedule a time to meet with a department team member to discuss compliance requirements, please contact us by calling 417-891-4300, by email at [SWRO@dnr.mo.gov](mailto:SWRO@dnr.mo.gov), or via mail at the Southwest Regional Office, 2040 W. Woodland, Springfield, Missouri 65807-5912.

Thank you for your attention to this matter.

Sincerely,

SOUTHWEST REGIONAL OFFICE

Tina A. White, Chief  
Air and Land Section

Enclosures
